

ATTENTION EXHIBITOR:

IF YOU MADE THE PREMIUM SALE OR MAY BECOME ELIGIBLE FOR THE PREMIUM SALE:

- We will be using CCI.live for the premium sale. It is an online auction service for the sale this year. It will be in conjunction with the live auction. We thought this would give buyers an added way to be a part of the sale if they cannot attend. Below is information about how it works.
Getting signed up is easy.
 1. Visit the website at www.cci.live. If you are a first time user click on create account. Remember to keep your email and password. If you forget your password, click the reset password button.
 2. After you create an account, you can request buying or bidding credentials. Upon approval you will receive a text from us saying that you have been approved by CCI.live. You are approved to buy and bid at any CCI.live auction unless further credential are requested by a specific auction.
 3. After you have been approved, getting a buyer number for a sale is very simple. You just visit the sale page for that auction and click the BID ONLINE button. Then there will be a GET BUYER NUMBER button that will automatically sign you in for that auction and give you a number. Note: Some sales are bidder protected and will also require a “bidder passcode” from the sale management, to obtain a buyer number.
 4. Use the CCI.live app on your phone, tablet or desktop computer. It is responsive and works just as well on any device provided you have good internet service.
- This year it is optional for exhibitors to exhibit their animal at the sale. They may choose to walk in the ring alone or with their sale animal. **Except: Grand Champion, Reserve Grand Champions and Bronze; they are expected to be on display at 5:00 pm the day of the sale and are released immediately after going through the sale ring. There will NOT be a professional photographer available the night of the sale but one will be available all week during the show. All exhibitors who make the sale and alternates must take a photograph.**
- We will be having a box supper for buyers this year. **These may be picked up in the Square Hangar after 5pm.**
- I have posted a sale add on sheet to the website. If donors would rather mail in their add ons for exhibitors (MRJLS PO BOX 2784 Muskogee OK 74402) or drop them by the Muskogee County Extension Office, they may do so by March 31, 2022.
- We are also being required to get W-9's for sale exhibitors. These will be available all week at the announcer's desk and one is posted on our website. **We must have these before the exhibitor enters the sale ring!!!!**
