 @MuskogeeRegionalJuniorLivestockShow

The “Show” is the culminating event of an educational project teaching responsibility, citizenship, compassion, health science and a host of other life skills through months of care by the exhibitors for their animals. Over 800 youth age 9 to 19 from Muskogee County and the seven counties surrounding will exhibit nearly 1500 animals throughout the week. This event is made possible by generous businesses, individual sponsors, and hundreds of volunteer hours.
